CBSE - 79  
10th
- Periyar Maniammai Institute of Science and Technology** Nov 2021 - Ongoing  
B.Tech - 8.60  
Graduate

## Projects

### Flash Cards to Learn French

The project will display a French word on one side of the flashcard and its English translation on the other. Users can wait for the card to flip to reveal the translation, and track their progress through a collection of words. The goal is to reinforce vocabulary retention through repetition and self-testing.

### Simple Search Engine using word occurrence

A Simple Search Engine that works by identifying word occurrences in the Dictionary
